We Need Your Help!!

A note from the Mrs. Taylor (Guest Editor):

We Need YOU!

February is always a bittersweet month for our pack. At the Blue and Gold Banquet we will watch proudly as our 2nd year WEBELOS advance to become Boy Scouts and join new troops.

We are happy for them, but regret their leaving

Pack 672. The same is true for their parents and adult partners who have volunteered their time and energy for the pack. When a scout leaves our pack, we very often lose valuable adult volunteers as well.

Please consider volunteering for a position or committee within our pack. We have already had several new folks volunteer for key positions but we still need help. We are in need of a Committee Chairman.

If interested, please contact Scott Brown at scottbrownoh@yahoo.com

Please step up. You won't regret it!!!

Next year, we will lose our Treasurer and our Newsletter Editor. If you would like to work with the current parent in these positions, now would be a good time.

March Pack Meeting

MARCH THEME – FORCES OF NATURE

Behold the awesome forces of nature. Discover how wind, rain, fires, floods, earthquakes, tornadoes, hurricanes, avalanches, and glaciers can alter and shape the earth. Cub Scouts learn now to prepare themselves and their families to meet the challenges associated with

these forces. Each Cub Scout can work on preparing an emergency kit to keep in his home or car. Explore a different force of nature at each den meeting, creating models of these natural powers or their results. This is a good month to work on the Emergency Preparedness BSA Award and the Weather belt loop and pin.
